AREMA Committee 24 Collegiate Quiz Bowl Competition 2019 Guidelines

At the American Railway Engineering and Maintenance-of-Way Association (AREMA) Annual Conference, a competition between AREMA student teams will be conducted as the AREMA Committee 24 Collegiate Quiz Bowl (Quiz Bowl). The objectives of the Quiz Bowl are to encourage students to enhance their knowledge of the railway industry and of AREMA, to strengthen the programs of the AREMA student chapters, and to foster a collegial spirit amongst the students.

The following rules and guidelines are set forth for the competition.

**Teams**
A team for the Quiz Bowl shall consist of up to five (5) AREMA Student Members. Each Student Chapter is allowed to have at least one team in the competition. Each Student Chapter Team member must be:

- a full-time student of the university that they represent
- a member of AREMA
- a member of their university’s chartered AREMA student chapter

Each team will designate a Team Captain on the Team Sign in sheet.

Student Chapters that do not have a full Quiz Bowl team can elect to combine with one other Student Chapter or add students that do not have a Student Chapter at their university (members-at-large). This can be coordinated via Committee 24 the day of the competition at the student events check-in table.

Students who do not have an AREMA Student Chapter at their university are eligible to participate in the competition on either of the two (2) Member-at-Large Teams. The teams will be organized by Committee 24 and coordinated the student events check-in table the day of the event. Each member of the Member-at-Large Teams must be:

- A full-time student at a university
- A member of AREMA
- Must attend a school who is not already represented in the competition

A student will not be eligible to participate as a member of their school’s team if they are or have been registered or licensed as a professional engineer.

No professors and/or students that are not participating in the competition, will be permitted in the team competition area.

Each team member will be required to sign-in the day of the competition. Once sign-in is complete, changes to the team roster are not permitted.
